PRINCE WILLIAM, VIRGINIA

TAKE YOUR BUSINESS BEYOND

By anchoring the contracting corridors in Northern Virginia, Prince William County offers proximity to the nation's capital with immediate access to prime contracting and subcontracting powerhouses with a highly-skilled workforce.

GOVERNMENT
CONTRACTING

Proximity

- Access to interstates I-66 and I-95
- Home to Marine Corps Base Quantico and just south of Fort Belvoir Army installation along the Potomac River, with 100 federal agencies and more than 100,000 military personnel and civilian employees

Talent

- Prince William is the 10th most diverse county in the country
- 42,000 veterans in Prince William / 219,000 veterans in Northern Virginia
- Average annual salary within region: \$90K in government contracting

Customers

- 180+ government contractors in Prince William
- Nearly 20% of \$665 billion of prime contract dollars awarded by the federal government in 2020 were won by companies headquartered in this region
- Average annual salary within region: \$42,826 in transportation occupations

Connection

- 70 percent of the world's internet goes through Northern Virginia with 1376 MW of capacity. Prince William offers excellent risk mitigation in data center capacity.

Prince William County provides competitive incentive packages through the County's Economic Development Opportunity Fund and partners with the Virginia Economic Development Partnership to access incentives offered by the Commonwealth of Virginia. Learn more at pwcded.org/incentives.
